Moderator, William Melendy.

Clerk of District, Frank E. Manning.

Treasurer, Henry Blood.

George H. Hardy was elected a member of the board for three years.

George T. Wiggin and Harry Peaslee were elected auditors for the ensuing year.

The district voted \$18,766.00, assessment required to balance budget.

\$100.00 was voted for repairs to the furnace at Stevens-Buswell school.

The district voted to give the School Board authority to sell school houses No. 8 and No. 9 at auction, the proceeds from the sale to be used to improve water system at Stevens-Buswell school, and Board was authorized to bring in a deficiency appropriation next year.

THE SCHOOL YEAR

At a meeting of the School Board held after the District meeting, the Board organized for the year 1935-36, with Mr. George H. Robertson as Chairman and Mrs. George T. Wiggin as Clerk.

At a meeting of the supervisory union held in Hudson in May, Mr. Fred W. Hall was again unanimously re-elected superintendent of schools in the union. The School Board takes pleasure in thanking Mr. Hall for his intelligent and efficient services to the schools in Bedford.

REPORT OF SUPERINTENDENT OF SCHOOLS

Hudson, N. H., Feb. 1, 1936.

To the School Board and Citizens of Bedford:

Following is my third annual report as superintendent of schools.

Enrollment of schools on January 2, 1936:

Grade	1	2	3	4	5	6	7	8	Total
Stevens Buswell ..	7	11	6	13	5	11	7	12	72
Donald Street	5	6	5	4	8	12	6	9	55
Peter Woodbury ..	8	5	9	8	9	9	6	9	63
Totals	20	22	20	25	22	32	19	30	190

In September, 1935, there was one change in the teaching staff at the Donald Street School. Miss Kathryn Lorden, a graduate of Keene Normal School, was elected to the position left vacant by the resignation of Miss Gretchen Smith.

The enrollment in the various schools has been about the same as during previous years.

Through the use of achievement tests, the annual progress of each child in each subject is being carefully studied. Through the results of these studies, it is hoped that proper emphasis and teaching technique may be used with each group to assure a continuous uniform standard advancement by each child in each subject during his elementary school life.

Most parents dislike to have their child advance at less than the average rate in any group. We find that in many cases a child may be good in some subjects and poor in others. It is far better for a child to repeat and spend more time on a sub-

ject which is difficult for him to assimilate. After a child is put into a group for which he is not adequately prepared, he has presented to him day by day material which he cannot understand and thus he becomes discouraged and loses his interest in school activities.

I believe that every child should be doing work in which he can succeed; work which he can handle in school from day to day, and thus gain new courage to attack the new problem which may be a little more difficult, but, nevertheless, which is within his experience and ability to master.

ROLL OF PERFECT ATTENDANCE

Stevens-Buswell School—Barbara Wheeler, Armand Jutras.
Peter Woodbury School—Irene Dalton.

Respectfully submitted,

FRED W. HALL,
Superintendent
